CSF COKATO (PV,D)

Calved: 05/28/2021 **Reg No. 62,577**

CSF Cokato is a striking black heifer, the seventh calf in seven years out of CBS Celesta, a daughter of LEA Denovan Adam and Husker Highlands Ranch's HHR Candy. Cokato had an adjusted weaning weight of 446 lbs. without any creep feeding. She is deep with a level top line, good feet and legs, and the overall correctness and size that make her a good show prospect. Cokato is in the first crop of a promising young sire, CSF Roosevelt, a bull in the GOF Ralph line through CSF Rutherford, a Division winner in Denver. Roosevelt has a good disposition and has stamped his offspring with correctness and good weaning weights. For more information on Cokato visit: www.climbingstumpfarm.com
