# BROWN'S PEAK CATTLE COMPANY

## BROWN'S PEAK FRANKIE (PV,D)

**Calved: 05/9/2021** **Reg No. 62,578**

Brown's Peak Frankie is a very nicely proportioned light red heifer, the second calf out of LEA Muireall, a yellow cow shown and purchased in Denver at the 2019 NWSS. Muireall's top side is highlighted by Skye High X-Axis and SPH Superdude, and her bottom side by LEA Gloriosa, an impact dam sired by Sunset Rebel Yell. Muireall is a wide-bodied cow with a quality udder. Frankie was not creep fed, and her adjusted weaning weight was 458 lbs. Frankie, like CSF Cokato, also in the sale, is in the first crop of the three-year-old bull, CSF Roosevelt. Roosevelt is smooth sided with a traditional Scottish air. He weighed in at 1850 lbs. in October after breeding cows and having semen drawn this summer. Frankie has the look of quality and should make a fine show or brood cow.
