CSF HONEYCOMB

Calved: 04/28/2018 **Reg No. 58,634**

CSF Honeycomb is a robust, powerful heifer who descends from GOF Ralph through CSF Rutherford, the 2018 Champion Intermediate Yearling Bull at the NWSS in Denver and AHCA's 2018 ROE Champion Intermediate Yearling Bull. Honeycomb is the third calf out of We Tired Honey. Honey's first two calves, CSF Humphrey and CSF Honeysuckle, were both shown and sold at the National Show and Sale in Denver, and Honey's 2019 heifer calf also looks like a good show prospect. Honeycomb is broad, striking and has performed well this year against top competition at both the North Central Highland Cattle Association Show and the Cornhusker State Highland Classic.
