## CSF HARMONY (PV,D)

**Calved: 04/26/23**

**Reg No. 67,434**

CSF Harmony is the second heifer of three heifers out of CSF Honeydew, one of our best young cows. Honeydew's sire, GOF Ralph was an influential bull noted for his high quality daughters, and Harmony's sire, CSF Roosevelt, a grandson of Ralph, looks to be continuing in the Ralph tradition. 32 of Roosevelt's 45 offspring have been heifers, and We Tired Honey, Honeydew's dam, has produced nine calves in nine years, seven of which have been heifers. Harmony is a striking heifer with a brindled face, good conformation and volume. Harmony is nt821 negative.
